VIVIAN MARTIN AND HARRY HILLIARD AT THE FASTIME TODAY

Greatest Love Story of Last Century is Pictured, "Thelma."

Most everyone has read the now famous love story "Thelma." The story as told in the Fox picture is laid in Scandinavia and is told with a photographic and dramatic perfection which makes it stand out as a master work of art. Sir Philip Bruce (Harry Hilliard) a wealthy Englishman, visits Norway, where he encounters and is struck with the beauty of Thelma (Vivian Martin), daughter of Olaf Buidmar, descendant of the Viking Kings. After much difficulty he meets her and in time they are married. He takes her to his home in London. Lady Winstleigh, a former admirer of Philip's, whom she had hoped to marry, makes Philip an innocent victim of a plot laid by her.

Thelma, finally convinced of her husband's duplicity, flees to her home in Norway. Philip, informed of what has happened, follows her, accompanied by Thelma's maid, Britta (Flora Nazoni).

Thelma arrives home just as her father dies. The double shock of losing a husband and a father causes her to break down, and at her bedside the two are joined anew. Cupid, the doctor of all heart ills, acting as physician.

Kerrigan's Congenial Role.

Thousands who have admired Warren Kerrigan in "the movies" will find cause for great delight when they see his performance in the forthcoming Bluebird Photoplay, "A Son of the Immortals," to be the attraction at the Cosy theater today and tomorrow. In this piece Mr. Kerrigan has the role of a dashing American suddenly elevated to a throne.

The manner in which he conducts his office seems to be inspired by his Yankee bringing up and the way he tears down tradition and builds up his own personal popularity with the natives constitutes the motive for an exceedingly entertaining photoplay.

There are many exciting features in "A Son of the Immortals," for it would seem that being a king, no matter how popular, invites the cunning of the under-lords who are commonly supposed to do the actual governing in monarchical countries.

Many tremendously spectacular scenes are created by the use of great mobs of people in street riots and public demonstrations in which the king and his enemies are concerned; numerous explosions of bombs, set with deadly intent; and some stirring battle scenes bring the Kerrigan photoplay considerably above the average in spectacular outcomes.

Supporting Mr. Kerrigan is Lou Wilson, heralded as the Alabama prize-winner in state-wide beauty contest, who has the interpretation of a role that gives opportunity to display the charms of this southern belle to good advantage. Maude George, cleverest of actresses who play adventures and conniving women, is another handsome woman cast in congenial circumstances.

At the Alta.

A tremendous sensation has been caused in artistic and society circles here by the declaration of Captain Fedila, alleged to be an officer of the infamous "Black Hundred," that the "Russian Nightingale" Sonia Sokolova is a fugitive from the realm of the czar and the holder of the infamous "Yellow Passport," the brand of shame of Russian outcast women.

According to the singer herself, a hideous mistake has been made. At her hotel last night she told the following story:

"This man Fedila, is my Nemesis. In Russia he led the Black Hundred on the raid that wiped out my home. He saved me from death and offered me a worse fate. I escaped and in order to be free from his persecutions, I secured a 'Yellow Passport,' which entitled me to come and go freely from the Jewish quarter, but which branded me as a fallen woman. The police, knowing that I was not what I pretended, for my self-protection, to be, hounded me, through the instrumentality of Fedila—now a police spy."

Why Suffer With BACKACHE, KIDNEYS OR RHEUMATISM NOW?

Letter Tells of Long-looked-for Prescription.

Dear Reader—If I can do any good in the world for others, I wish to do it, and I feel that it is my duty to write about the wonderful results I received from the use of "Anurie." I was suffering from kidney and bladder troubles, scalding urine, backache and rheumatism, and feet and ankles swelled so that at times I could not walk without assistance. I had taken several different kinds of kidney remedies but all failed. I sent for a box of Dr. Pierce's newest discovery, "Anurie," which I received by mail in tablet form. I soon got better and am convinced that this popular new medicine is good. I wish to recommend it to my neighbors and everybody suffering from such troubles. MISS M. J. SARGENT.

NOTE: You've all undoubtedly heard of the famous Dr. Pierce and his well-known medicines. Well, this prescription is one that has been successfully used for many years by the physicians and specialists at Dr. Pierce's Invalids' Hotel and Surgical Institute, of Buffalo, N. Y., for kidney complaints, and diseases arising from disorders of the kidneys and bladder, such as backache, weak back, rheumatism, dropsy, congestion of the kidneys, inflammation of the bladder, scalding urine, and urinary troubles.

Up to this time, "Anurie" has not been on sale to the public, but by the persuasion of many patients and the increased demand for this wonderful healing Tablet, Doctor Pierce has finally decided to put it into the drug stores of this country within immediate reach of all sufferers. Simply ask for Doctor Pierce's Anurie Tablets. There can be no imitation. Every package of "Anurie" is sure to be Dr. Pierce's. You will find the signature on the package just as you do on Dr. Pierce's Favorite Prescription, the ever-famous friend to ailing women, and Dr. Pierce's Golden Medical Discovery, proven by years to be the greatest general tonic and reconstructer for any one, besides being the best blood-maker known.
